At Benson Building & Construction, we deliver more than just homes — we create living spaces that embody quality, precision, and peace of mind. With a proven background in managing $1–5M projects and an unwavering focus on communication, documentation, and craftsmanship, our work stands apart in Sydney’s high-end residential market.

WHAT WE DO

We specialise in bespoke renovations, extensions, and new builds for discerning homeowners who value detail and professionalism. From design collaboration to final construction, our team ensures your project is delivered with complete clarity, precision, and care. Built on a foundation of trust, honesty, and attention to detail, we partner only with those who reflect these same values. A legacy of excellence—our trusted trades and suppliers have been meticulously chosen over 25 years. With a loyal client base that prioritises quality, longevity, and exceptional service over price, we're proud to deliver homes that stand the test of time.

ABOUT US

About Us

Founded by Anthony Violi, Benson Building & Construction was built on the principles of integrity, precision, and client-first delivery. With Anthony's project management background on multi-million-dollar builds, the company is uniquely positioned to offer clients not just exceptional construction, but also a seamless, transparent, and enjoyable experience.

Our clients appreciate:

- Personalised guidance throughout the build.
- Full documentation and clear communication at every stage.
- A culture of accountability, professionalism, and respect.

PROJECTS

Bespoke Modern Home Build
Parramatta

This North Parramatta build was a tight 110sqm block which Benson Building & Construction transformed into a three-level home. Incorporating clean lines that create a vertical flow that pulls light downward and drives the illusion of scale This bespoke modern home stands testament to the craftsmanship.

GUARANTEES

Fixed Pricing

We believe in absolute transparency when it comes to costs. Every project is backed by detailed documentation and upfront pricing, so you'll never be surprised by hidden fees or unexpected variations. What we agree on at the start is what you can rely on at completion.

Quality Assurance

Every stage of construction is backed by rigorous quality checks and meticulous site management. From hand-picked trades through to premium materials and finishes, we uphold standards that ensure the end result not only meets but exceeds expectations.

Completion Transparency

Timelines matter — both for your family and your finances. We provide clear schedules at the beginning of every project and keep you informed every step of the way. Our proactive communication ensures you always know where your build stands, and we remain accountable to the agreed timeframes.

WHAT OUR CLIENTS HAVE TO SAY ABOUT US

★★★★★

We recently completed a complex knockdown rebuild in Marrickville with Benson Building and couldn't be happier. Anthony handled tight access, custom elements, and neighbour concerns with professionalism and clear communication. His integrity and attention to detail were outstanding — we've already engaged him again for our next project.

Alex Wu

★★★★★

We recently completed a large-scale renovation with Benson Building & Construction and couldn't be happier. Anthony and his team delivered outstanding craftsmanship, clear communication, and seamless project management from start to finish. The result is a stunning, functional home that exceeded our expectations — we can't recommend them highly enough.
